"About Slovakia

The Slovak Republic is situated in Central Europe and it is often called "country in the heart of Europe". It is bordered by the Czech Republic (west), Poland (north), the Ukraine (east), Hungary and Austria (south). The borders are mostly natural made by rivers (the Moravia, the Danube) and mountains (the Carpathians, the HighTatras). Its area is 49 035 sq km and the number of population is over 5 million inhabitants. There are many interesting places in Slovakia. There are national parks and protected natural resorts, such as the HighTatras, the LowTatras, the Great Fatras and Slovak Paradise.

Slovakia has much to offer for tourists who come here to see spectacular sceneries, old towns, fairytale castles, caves and spa resorts. Its historical development, beautiful scenery and hospitable people make Slovakia an attractive destination for them.

The most visited towns are Bratislava – the capital (a political, cultural and industrial centre of the country)"
